A DAY IN  
THE LIFE  
OF . . .

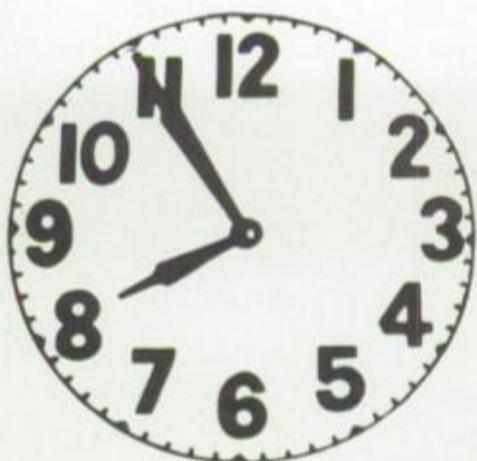

Photo Essay on Niskayuna High School

Day dawns and we arrive by bus . . . cycle . . . Jeep . . . Cadillac . . . and on foot. Impatient students all . . . impatient to get on with the business of learning.

Bus late . . . hurry to locker . . . dash to homeroom . . . "I

Search high and low,  
Follow every byway,  
Every path you

The day's work is well begun . . .

When you're in kindergarten high school seems a long way off . . . but the years roll on and—amid tears and laughter—puzzles, toy trucks and crayons give way to perfume, football games and term papers. We all start at the bottom of the mountain and, with dedication and hard work, we'll all reach the top.

But it can be fun, too . . .

Certainly!

MR. DAVID LEGG

DEDICATION

Perhaps the most valuable asset from an education comes not from books, but from the inspiring teacher who develops in his pupil the ability to reason and to support his convictions logically and courageously. All teachers at Niskayuna High School concentrate on teaching their pupils to think, but one in particular makes it a special goal in teaching.

Through your ingenious teaching methods you have held our interest and made history challenging. Never shall we forget such games as "Supreme Court," "Constitutional Convention," and that all time great—"1870."

For your originality, patience, and devotion to effective teaching, we, the Class of 1968, dedicate CROSSROADS '68 to you, Mr. David Legg.

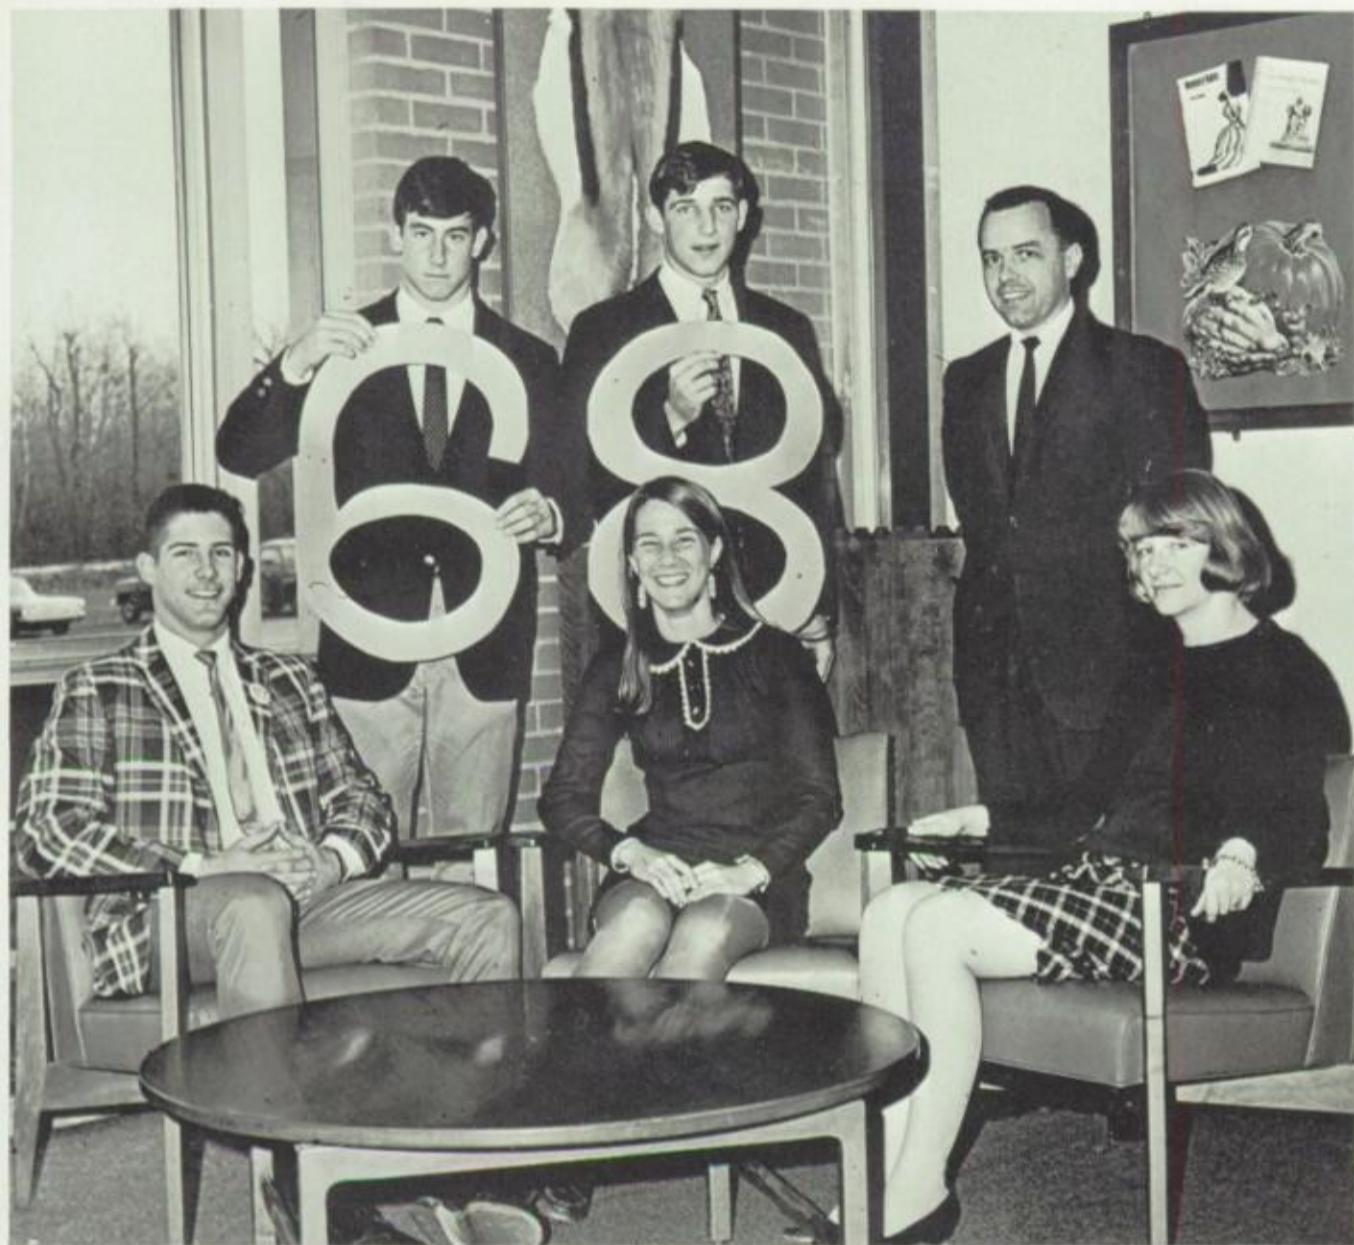

ADVISORS: Mrs. Schmidt and Mr. Collins

No class could have hoped for two more dedicated and sincere advisors than Mr. Collins and Mrs. Schmidt. They were always there to suggest, advise and counsel and they always had our best interests in mind.

They helped us mold our freshman class into a functioning body that for four years was able not only to meet the normal demands of a class, but was able to surpass the normal and achieve such distinction as an all time high for a paper drive and a Junior Prom unequaled for originality and class support.

It has been so easy for us to overlook the tremendous part that these two have played in making our four years here such a success—for their job has been a tiring and thankless one. But the patience, the hours of work that they have given so uncomplainingly, their belief in us that somehow never faltered—these things have not passed unnoticed. And so, Mr. Collins and Mrs. Schmidt, we would like to take this opportunity to say, "Thank you."

CLASS OFFICERS: Left to right, Top row: Chip Gordon, Vice-President; Ben Olds, President; Mr. Collins, Advisor. Bottom row: Clayton Bredlau, Treasurer; Mary Lou Wirene, Secretary; Mrs. Schmidt, Advisor.

CLASS COMMITTEE: Top row: Roy Cooley, Nancy Nagamatsu, Steve Wahl. Bottom row: Sally Pfeifer, Luci Landon, Sally Smith, Lori Vought, Anne Enright, Billie Lewis, Kris Bridge.

After four years here at NHS, we, the class of '68, find ourselves feeling and saying just about the same things that every other senior class says upon leaving Niskayuna.

It's hard to say that we are taking from Niskayuna so much more knowledge than that which came from our books without sounding maudlin. But it's true.

We've watched the development of the class we've been so much a part of: Like every other freshman class, those four years seemed to stretch before us interminably.

Way back in 1964 the school was half its present size, rooms were numbered with two-digits, the auditorium could hold the entire student body, we wrote on lapboards and had only one cafeteria to eat in.

Remember how centrally located the library used to be? How only Seniors were allowed on privileges. Remember swing periods and a course called World Geography? Remember Mr. Am-law? Remember when we were sophomores and the first part of the new wing was opened; with barren concrete walls and floors and the noises of construction were a natural part of every class? And then as juniors the size of the school had doubled; Overnite things such as resource centers, carrels, little theaters, and lettered wings came into being.

One by one we got our licenses (girls first naturally) and paper drives became more lucrative (Our junior year holds the record high for a paper drive—our senior year holds the record low).

Our class pulled together for the Junior Prom and "Younger than Springtime" will long be remembered at Niskayuna. Hopes were high in anticipation of an unbelievable senior year. We had the makings of immortal athletic teams. But unforeseen transfers and injuries plagued us. And again the class had to unite to excel.

And so here we are: Seniors saying good-bye. Like every other graduating class, all of our achievements, hardships and idiosyncrasies will gradually be forgotten by everyone else. But we won't forget; we who were the cells that made up the class of '68 we will remember.

JO ANN SCHMIEDER

Dear teachers and friends,

Before I tell about my happiest year at Niskayuna, let me express my sincere gratitude to those who made this wonderful experience possible for me. I shall never forget the efforts of the people behind this and will always be grateful to them.

My first day in Niskayuna High will remain in my memory forever. I remember how scared and confused I was among new surroundings and among people whom I had never seen before. But the kids proved to be so friendly and loving that without them I wonder where I would have been. The great help and guidance I received from my teachers from time to time will be of great value to me not only today, but in future also. How can I ever forget the fun and joy at the Latin Club, the pleasure of listening to and giving speeches at the Model UN or the enjoyment in the Folk-singing Club! The Niskayouth and those paper drives are some of the memorable things indeed! I shall never forget my speech class or my favorite math or biology class. The trouble I had with my history or my English will never slip away from my memory. How wonderful it was to get those report cards which encouraged or many times even discouraged me! I always had something new to learn, some new experience often waiting for me around the corner. I will never forget the opportunity I had to learn American history or even Latin.

How time flies away! The whole year has rolled on and the hour has come when we must depart. No more shall I have my loving teachers to help me when I stumble and stop; no more shall the kids call out, "Hi Tinoo" as I walk along the halls. Chance had brought us together; fate is taking us away. The paths of our lives differ here on. I have no words to express my sadness at leaving my friends without even any assurance of meeting them again.

Once again, I'd like to thank everyone from those who donated for the AFS to those whose little friendly "Hi" made life happier for me. Wish you all good luck and cheer in the future—"bye."

Yours lovingly,

*Alka Vadhavkar*

Look at those tonsils!

Some of us have changed a lot.

All right ... who's the guilty party?

One sided case of the mumps?

Here's the cat that swallowed the canary.

Some of us  
never change ...

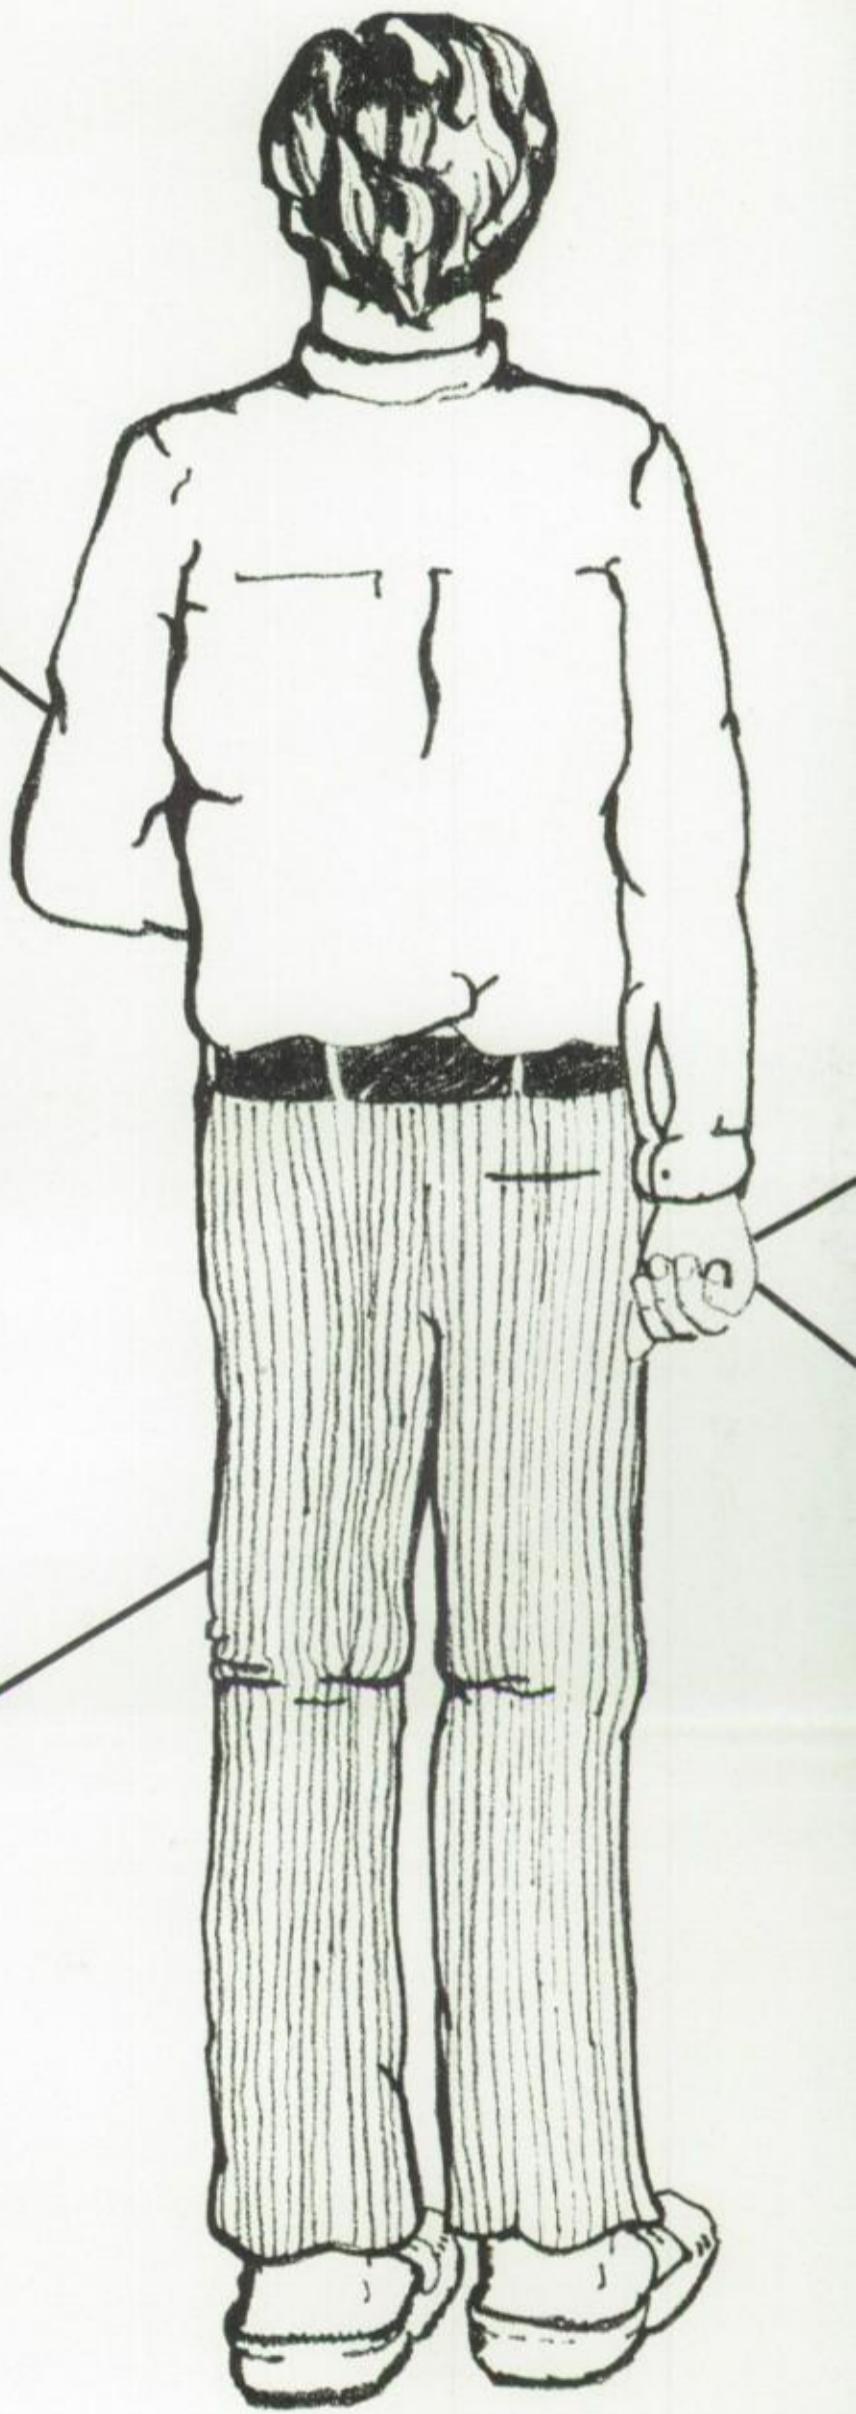

do we, Anne?

The long corridor never ends,  
Yet, an imperceptible ending is nigh.  
The walls are steep,  
Very rigid and hard to climb  
Unless you have the instruments.  
Where do you find them?  
They're here, just search.

## IN MEMORIAM

KATHLEEN ANN HEVLE

November 29, 1949—February 10, 1968.

Remember  
all the thousand little things  
that only she would do  
the phrases that were hers alone  
the smile she wore, the way she'd  
ride her endless daydreams...  
the way you knew her.

Love her:  
love the memory and love the girl  
who wove it  
let her happiness live  
beyond this time of mourning;  
brave a smile for her  
as she'd want you to.

Leave unlocked the portion of  
your mind that knew her;  
Leave awake the heart  
that loved her...  
that yet loves her.

Have the faith to know  
that she is happy  
when you think of her...  
smile for her.

Have a lovely summer!

# FOREIGN EXCHANGE STUDENTS

Dear Friends at Niskayuna,

It's really been a great opportunity for me—being here and learning so much at the same time. I've enjoyed my stay with the Loews and I would like to thank them for the hospitality they had for me this year. I would also like to thank all the teachers I had, and Mr. Read for helping me so much. I'll never forget the wonderful times I've had here during the school year and how wonderful all of you were to me.

Very soon it will be time to say Good-bye, but dear Niskayuna, you will be a great memory forever. I hope one day I will come back to visit.

Love,

Arlinda R. Shortman

Dear Friends,  
Mrs. I don't to thank  
you how how wonderful  
know for see your time  
you for put your time  
believe you never forget  
believe this never for  
you, this week with  
been sick after bad  
and this leave next  
week.

This was the year of a life long wish  
To add to my Swedish an American dish

What a treat to be one of the foreigners exchanged  
And to all by whom so much was arranged

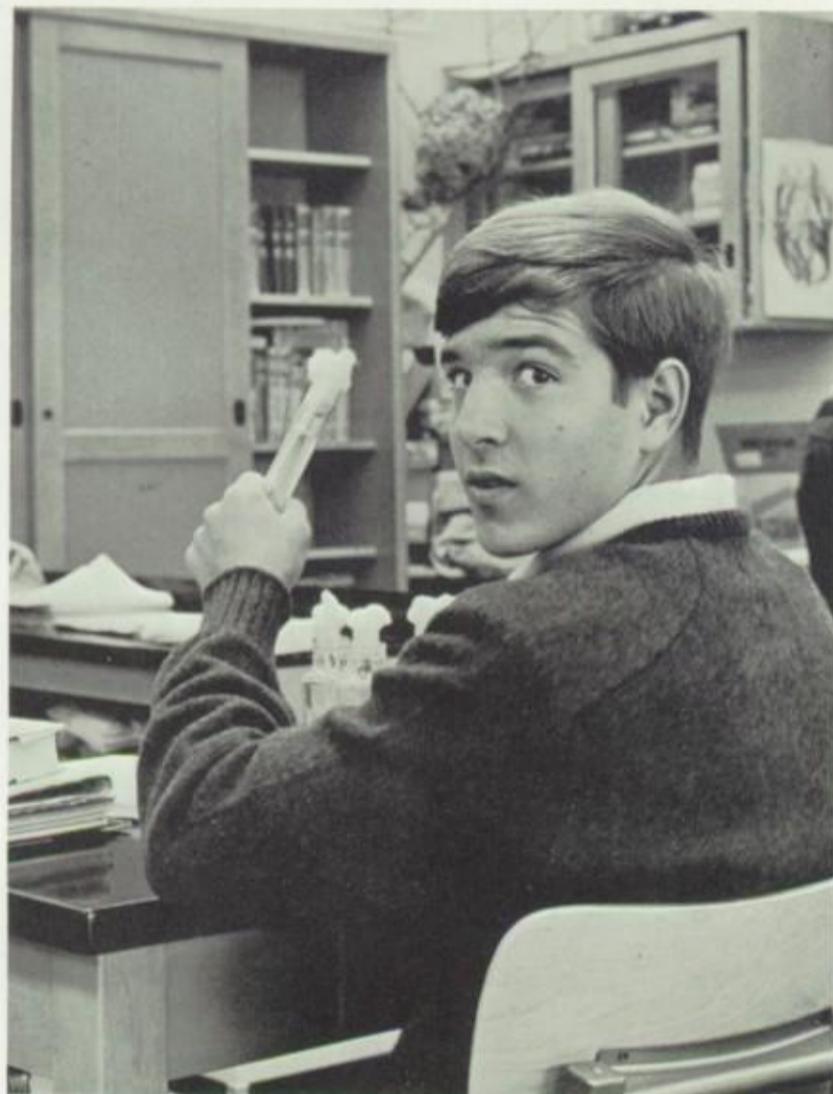

Thank you for acceptance and patient understanding  
For new friends and teachers with demands undemanding

Thank you for ball games, bonfires and Scribe  
Helping hands and smiles always wide

Thank you for brownies, drive-ins and hamburger  
It's been a great year—adjo.

Mes. Russell:

It has been truly  
enjoyable being  
in such a English  
class. The trip to  
Stratford was quite  
fun with you although  
you didn't enjoy the  
play as much as  
you had wanted too.

I have started to  
look on a lot of  
different aspects  
of life because of  
you and that is  
a very worthwhile  
thing for me. May  
you be proud of  
your job.

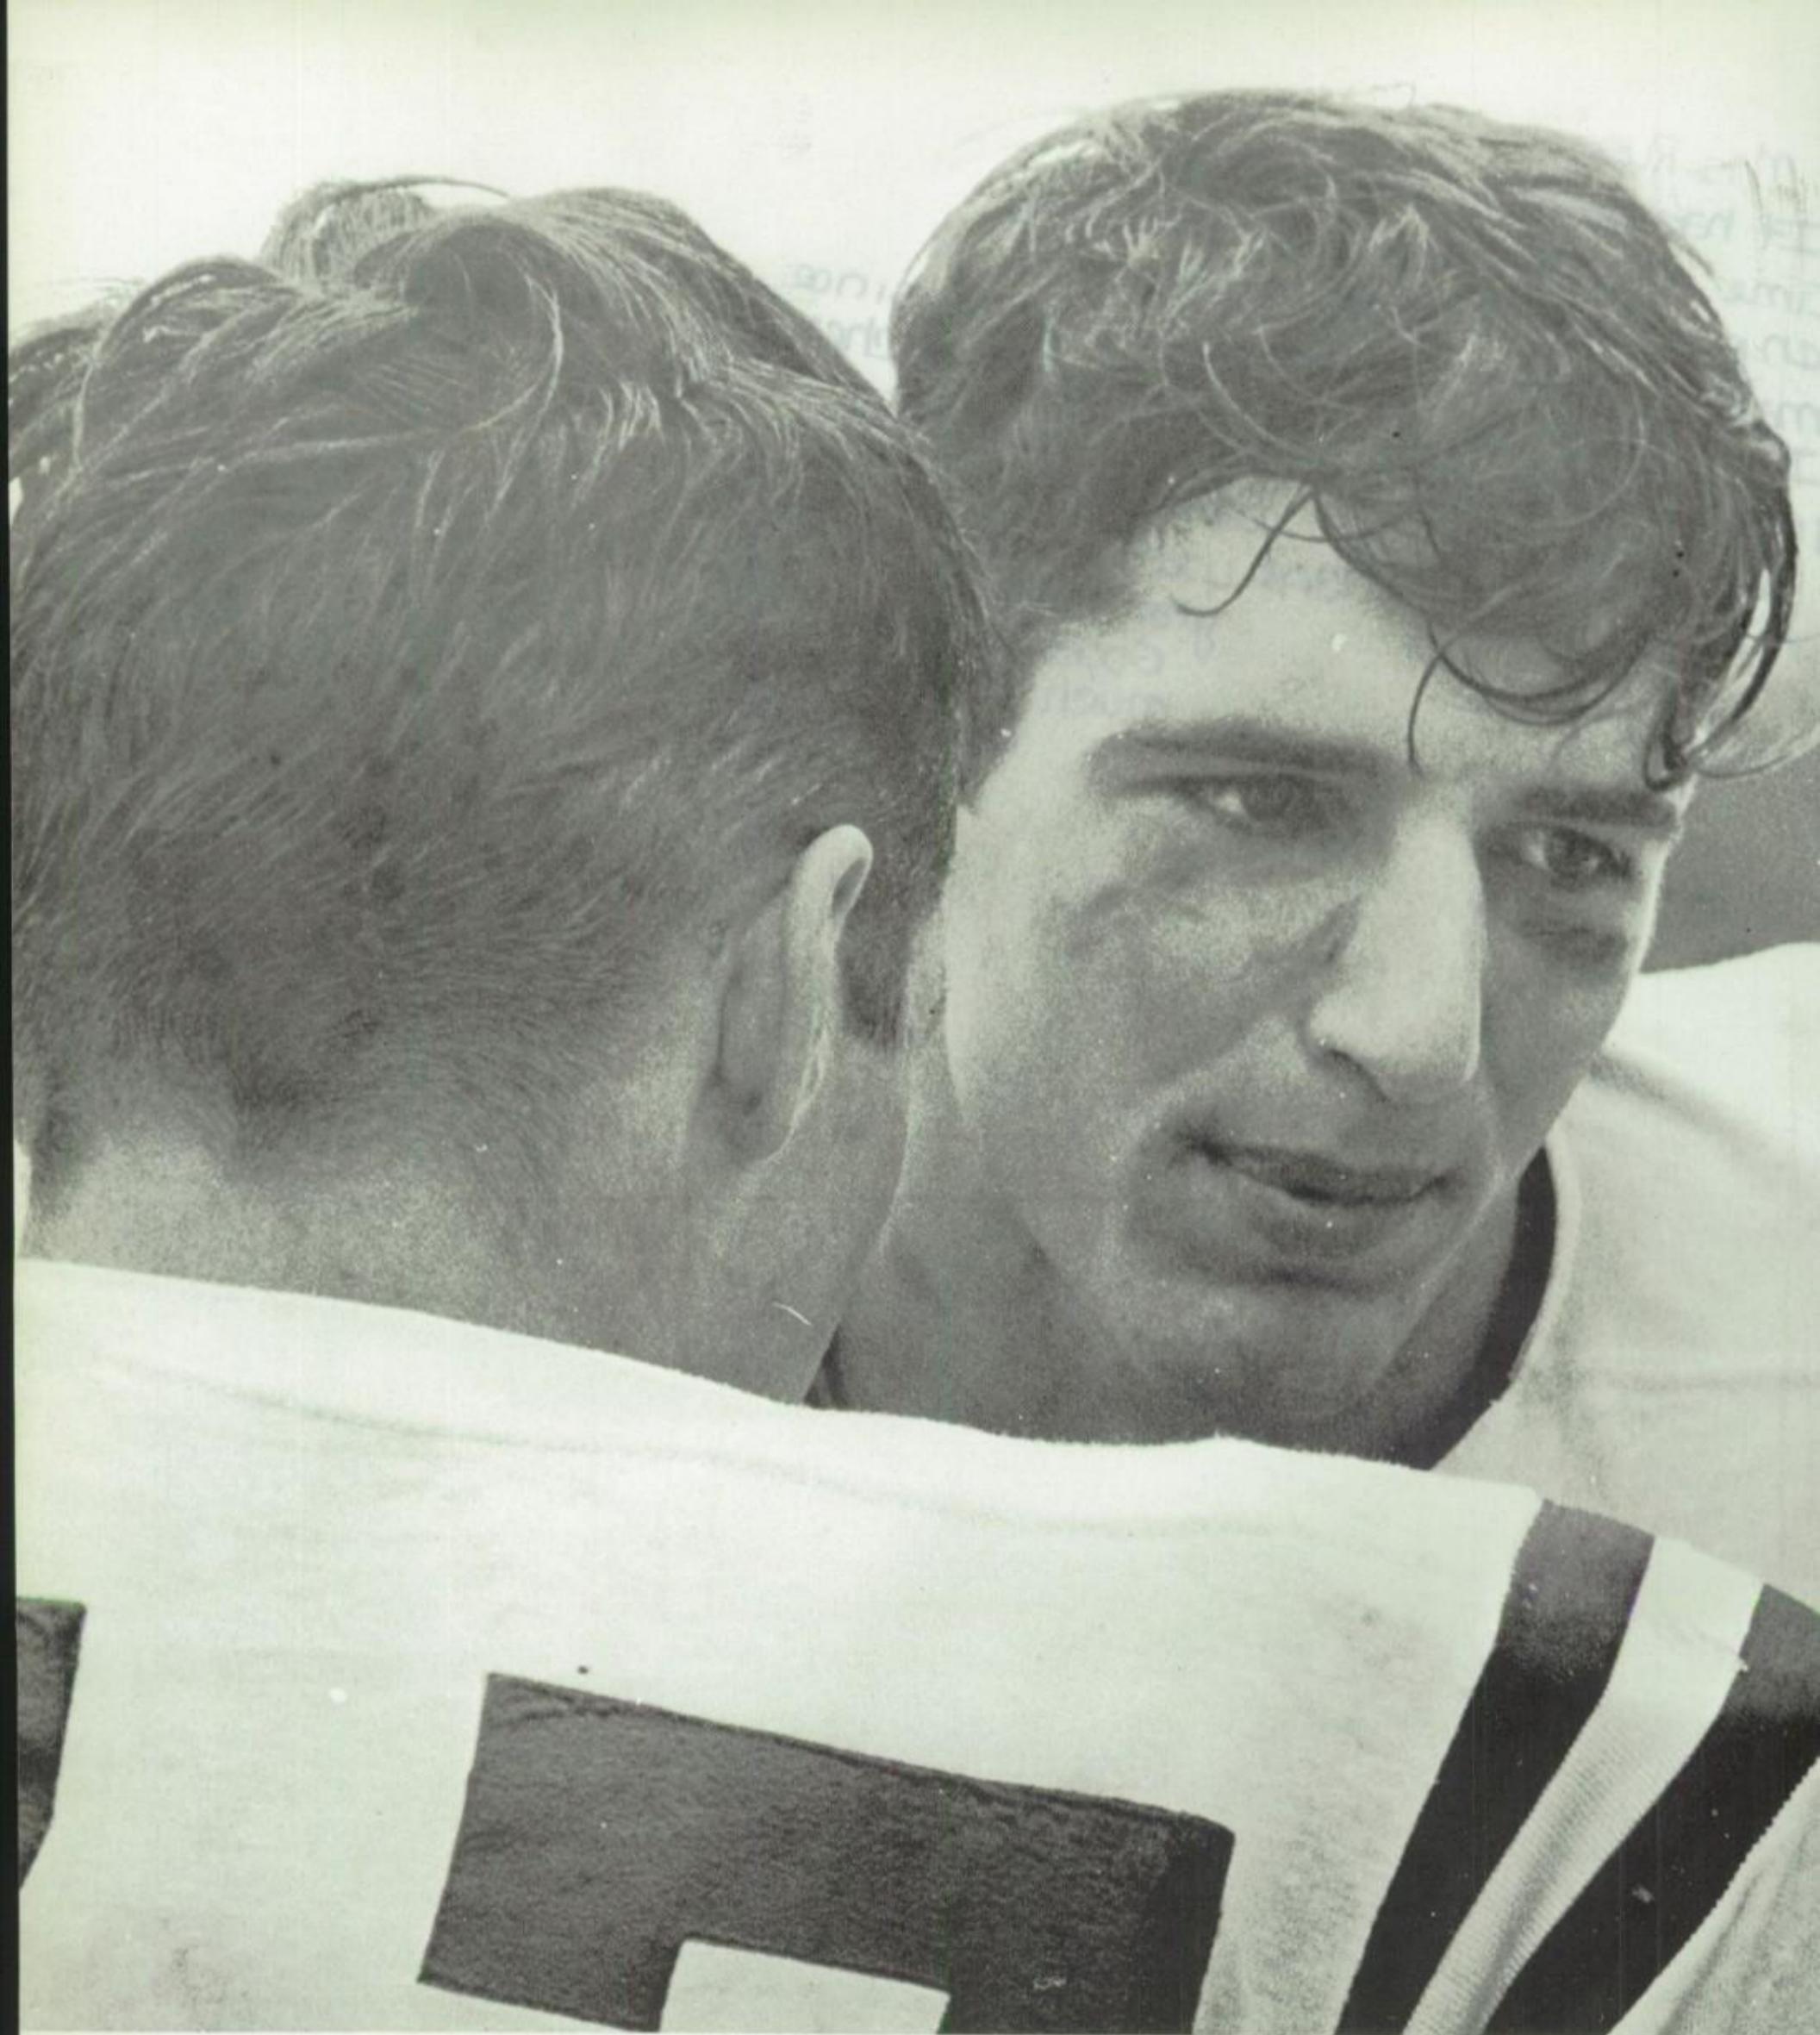

Sincerely  
Sue

Mrs. Russell,  
It has been a long  
time since I have so thoroughly  
enjoyed my English class. As a  
matter of fact it has been 5 years since  
I had a good class and good teacher  
in the same year. I had to work hard  
this year but it was worth every  
minute of it. Thank you for making my  
year enjoyable.  
Good luck and  
much happiness,  
Your student,

The 1967 Niskayuna Track Team was a young but strong team, stronger than its 6-5 record might indicate. This predominantly underclass squad surprised not a few of its opponents with outstanding performances from many Nisky athletes. The most notable performances were achieved by sophomore Gary Connors, a consistent winner in the two-mile who went to the state meet for the second straight year; and junior Clayt Bredlau, a versatile performer in the dashes, pole vault, and 440 relay. Clayt, a 10 flat sprinter, was credited with the highest vault in the state last year with a leap of 13' 9"

## STUDENT COUNCIL REPRESENTATIVES

Perhaps the largest project the Student Council has undertaken this year is the establishment of House Councils to provide more students with a chance to participate in student government and to provide a closer link between the administration and the student body. The Carver Recreation program, and the other Community Aid projects are important also.

The raising of \$1500 for the American Field Service exchange program to send and receive teenage ambassadors is a major goal.

### ADVISORS:

Mr. Jakeman

The Dramatics Club seeks to provide an opportunity for students to learn about the different facets of the theatre through actual experience.

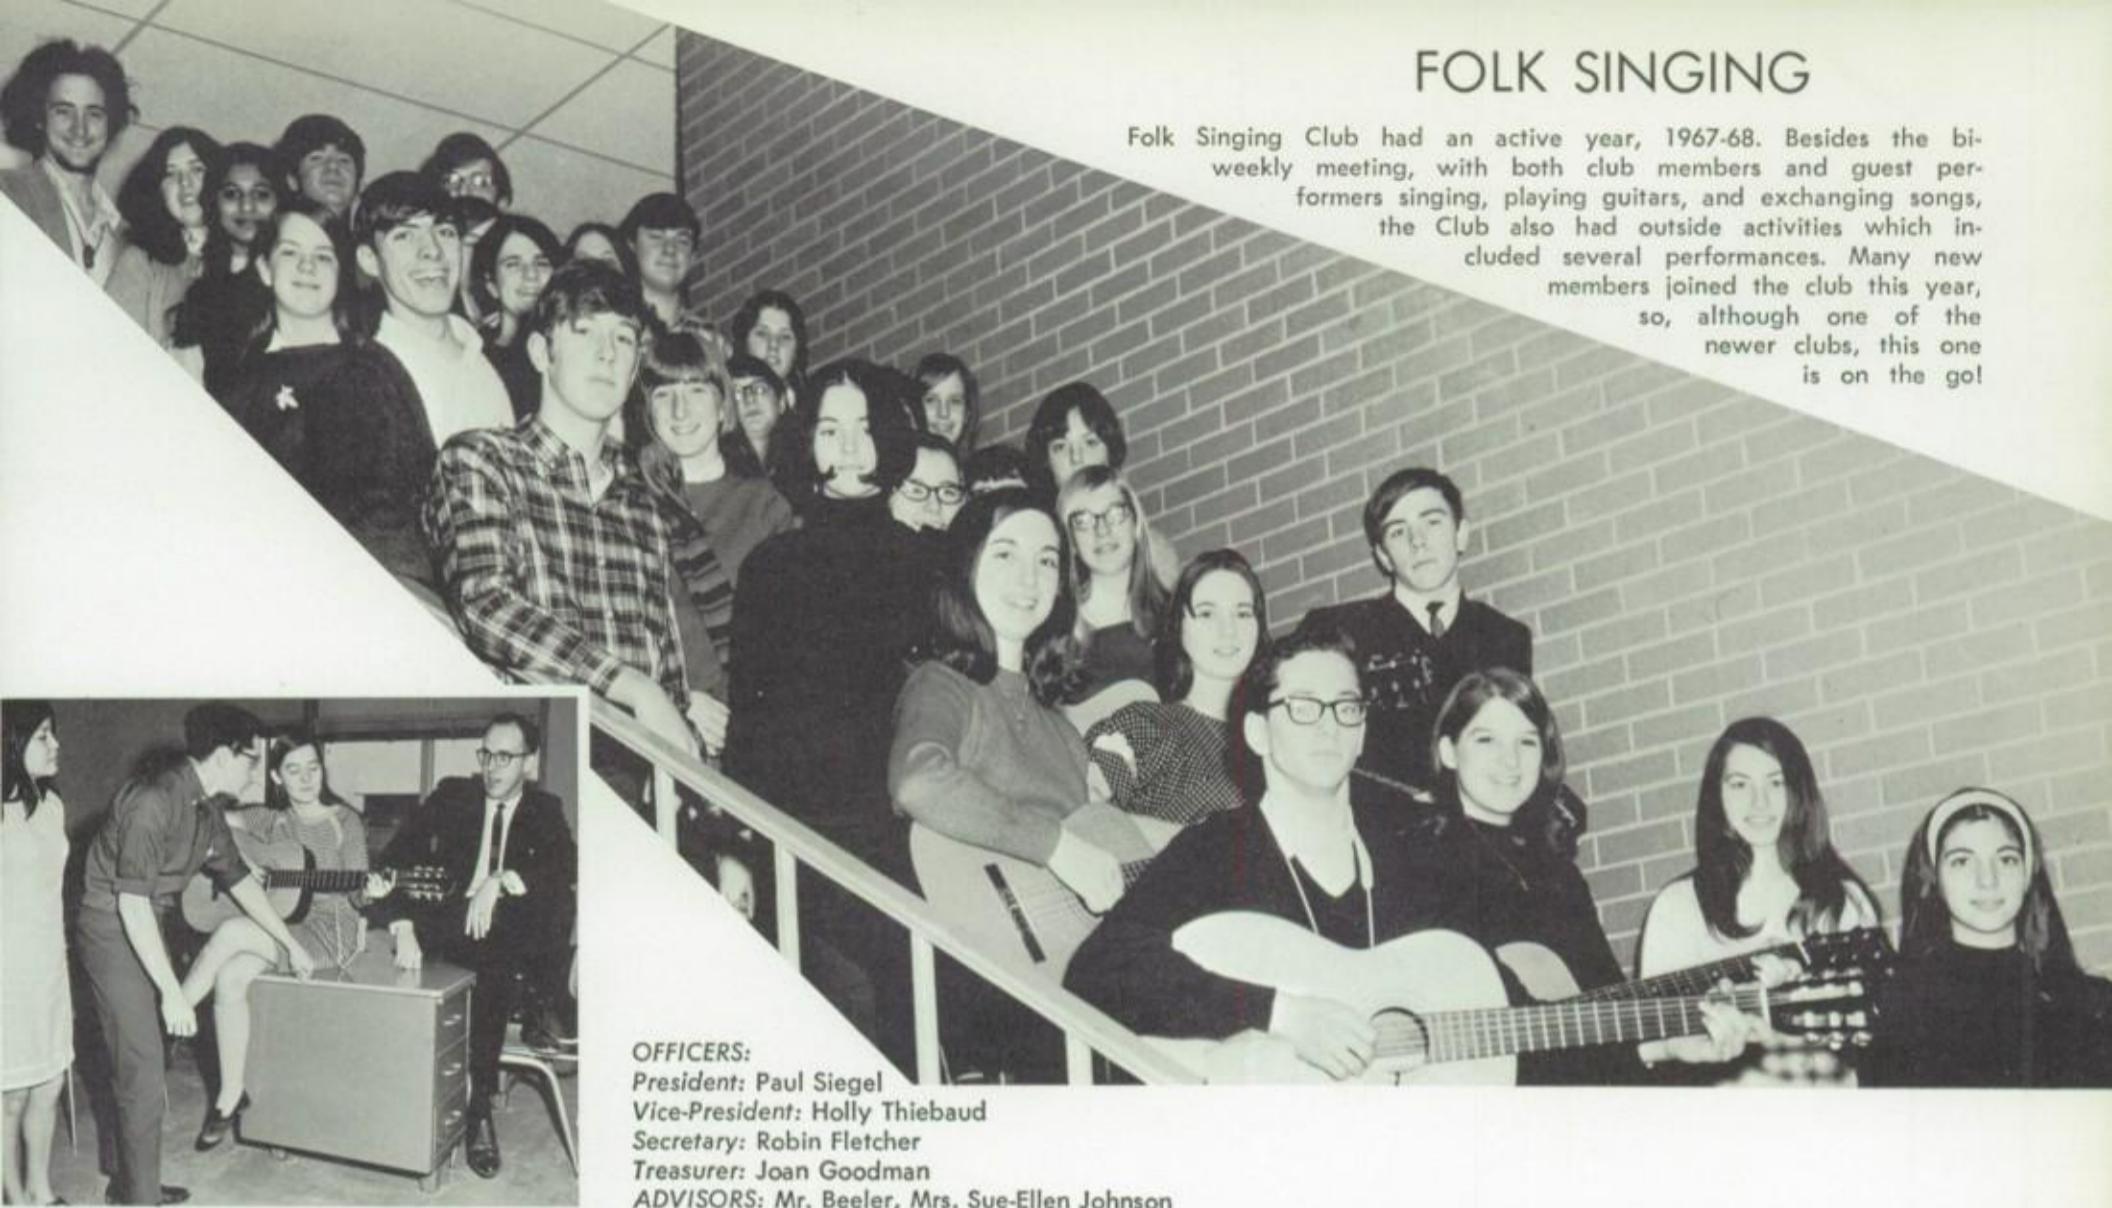

This year Niskayuna saw the production of three excellent plays: first, "Harvey", a comedy that started the year off optimistically; then, the drama, "Little Moon of Alban", which was performed beautifully; and lastly, Shaw's "Caesar and Cleopatra", a play with a different view of the two famous rulers.

The Club also tackled the classic "Alice in Wonderland" as a Little Theatre production. Working hard, and having a good time meanwhile, the club members' output for 1967-1968 was great!!!

## FOLK SINGING

Folk Singing Club had an active year, 1967-68. Besides the bi-weekly meeting, with both club members and guest performers singing, playing guitars, and exchanging songs, the Club also had outside activities which included several performances. Many new members joined the club this year, so, although one of the newer clubs, this one is on the go!
